

YOU ARE INVITED TO ATTEND THE
INDIA INITIATIVE RECEPTION

Building Networks Across Campus

Tuesday, May 12

5-7 pm

The University Club

803 State Street

Opening remarks by
Gilles Bousquet, Dean of International Studies

The goal of the evening is to invite Faculty and staff across campus to network and discuss their interests in developing programs, conducting research, and writing curricula on contemporary India. We hope to extend and institutionalize a network of active Faculty and programs on India. As you know, there is a wide-ranging interest in expanding programs on India and we want the people involved to be able to share their experiences.

We will ask people who are currently developing new projects in India to speak briefly on their research and plans.

Please RSVP to staff@india.wisc.edu by Tuesday, May 5

The India Initiative - sponsored by the Division of International Studies
203 Ingraham Hall, 1155 Observatory Dr. Madison, WI 53706
